Hi Elaine. I understand that you were point for OFA on reviewing emails responsive to the Rosemont FOIA. In my review of OW equities, we came across 6 email strings that appear to be more in OFA's shop. The six documents are: 30964, 30965, 36615, 60566, 60567, 36614.

I'd like to schedule maybe thirty minutes with you to walk through these on my computer to help determine their disposition, consistent with OFA's direction. Is there a good time for you Tues or Wed this week?

Hi Liz. I am planning to talk with Mindy on Monday about the dozen remaining emails that I had questions on. After that, it shouldn't take me very long to wrap up our review of those equities. Everything else should be good to go.

Hi Tim,

I hope you enjoyed the holidays and then some! Can you give me an update on the status of the FOIA review? Thanks! E.

Hey Liz. I now have access to Relativity (had to re-activate my account). If you can give me access to the HQ equities, I should be able to review next week. Thanks
